To one of the roughest  
and toughest teachers  
ever to try to teach  
me something. Don't  
end up on the next  
year class, that wouldn't  
be fair. Rock & roll

I suppose you know  
Dear reader I'm  
thinking right now  
but it was my own  
fault. As I do say  
above pass it on  
heavy next year  
don't let up a  
bit. Fill the  
exam room.

To a really good  
teacher that gave  
and gave a really rough  
time. Oh well, I'm  
paying for it - this test  
"ain't" easy

Best of luck to  
a teacher who gave

Her to the best friend  
I ever had  
(Dad & Godberg).  
P.G. I don't  
want to be

but I want  
to be a  
teacher.

If I come back sometime  
next year, I want to see  
you signing at your place  
with your new name handily.

To a teacher:  
Lots of luck with  
the coming year  
class of '63 & don't  
especially know how  
many pencils I took  
but it must run into  
the hundreds. I thank  
you for everything

Lots of luck with

a teacher I'll be telling  
my grandchildren about!

Mrs. Koch!  
I've enjoyed  
very much being  
in your class and your  
lectures with great  
interest the night  
we sat after school to have  
walked to school but it is a  
lively meeting & I think all  
participants enjoyed  
your help.

## *Dedication*

To Mr. Dunbar:

Never too busy to talk to us, he had the interest and sincerity of a close friend, so that he won both our confidence and respect. We were never afraid to go to him with our problems because we knew his decisions would be made with sympathy as well as firmness.

Because of his friendliness and understanding our high school days will always be a pleasant memory; and so, we, the Class of '52 dedicate our annual to a fine friend as well as a capable principal, Mr. Dunbar .

# Destination --- Diplomas

September, 1948—we're off! Seventy-eight rather timid travelers began their journey through the halls of learning at CHS. The sophomores gave us a sendoff in the right direction at the annual Sophomore-Freshman reception. We put capable people in the drivers' seats that year and made a lot of progress. Dick Jackson was president; Curtis Anderson, vice president; Jerry Martin, secretary; Hope Colley, treasurer, and Mary Wood, Student Council representative. Our sponsors were Miss Becker and Miss Swartz. Although we stuck fairly closely to the main road we "accidentally" detoured to the Brookfield Zoo, the Chicago Municipal Airport, and the Railroad Fair. They turned out to be happy "accidents" too, for we had a grand time sightseeing and getting better acquainted with each other. In coming to an end of this first lap of our journey, we had a wonderful beach party at the State Park. We found traveling together to be loads of fun and were eager to begin again after a brief time out for swimming, sunning, and loafing—and working, for the more industrious.

In September, 1949, seventy-seven well-seasoned travelers again hit the road under the excellent leadership of Jane Imhof as president, Curtis Anderson as vice president, Joan Wozniak as secretary, Carol Babcock as treasurer, and Sidney Cooper as Student Council representative. Our class sponsors, who contributed greatly to our success and well-being, were Miss Sayers and Mr. Johnson. We really stuck relentlessly to our course that year with only two side trips for recreation. One, of course, was the reception we gave for the Freshmen and the other, an outdoor party at Wilson's Shelter where we had a gay time playing group games, hiking the trails, and roasting hot dogs, topped off by an evening of dancing on Baraz's patio. We had reached the halfway mark in our journey and were looking forward to being upperclass travelers and wearing with pride that badge of distinction—the class ring.

September, 1950—Wheels a rollin'. And all seventy-seven of us really rolled—sponsoring a Homecoming Queen, a Valentine Dance, selling magazines and concessions—all leading up to the biggest event of the year, the Junior-Senior Prom, more romantically known as the "Stardust Swirl," a dreamy affair held at the Marquette Park pavilion. Another major event was a trip to Indianapolis, where we saw the State Legislature in action. The "big wheels" that year were Bill Cawley, president, Curtis Anderson, vice president, Melane White, secretary, Calvin Cheesbrough, treasurer, and Jane Imhof, Student Council representative. The faculty "wheels" were Mr. McCord, Mr. Yates, and Miss Fleming. Almost before we knew it, we had rolled right through our Junior year and it was—

September, 1951—Destination in view! Sixty-one travelers, eager to reach the long sought goal, began the last lap of their journey by sponsoring the gay and traditional "Fall Fiesta"; and then to help meet our traveling expenses, we sold magazine subscriptions and held a bake sale. Other activities which kept us traveling at top speed were the publication of the "Singing Sands" and the production of the Senior class play, "Home Sweet Homicide." Also as the result of a lively election campaign woman's position in government was greatly advanced by the election of Barbara Carlson, who won over Bill Cawley as president of the Student Body, the first girl to achieve this in many years. We chose blue and silver for our class colors, the American Beauty rose as our flower, and for our motto, "We have crossed the bay; the ocean lies beyond." Whatever the future may bring to each of us, we know that we shall be better prepared to face it because of the knowledge, fun, and experience we have gained from our four years' journey through the halls of learning at CHS.

## Juniors

Thinking of the year ahead of them, the Junior class started by electing Joan McAvoy, president; Bruce Betterton, vice president; Glenda Wallin, secretary; Marilyn Cook, treasurer; and Desmond Stack, Student Council representative. In preparation for the Prom they had a magazine drive, at Christmas, Diaper Dans were sold. With returns from this, plus popcorn and concessions from the home games everyone began to feel at ease. The 'hearts in Rhythm Dance on February 16 was a gala affair.

Of course, all this was merely a prelude to the Junior-Senior Prom held at Marquette Park on May 9, with Mickey Isley's Orchestra giving out with soft, dreamy music.

With Mrs. Decker, Mr. McCord, Mr. Munro, and Mr. Yates as class sponsors, the year has been a good one.

# Sophomores

The sophomore class launched the year hopefully by electing Jim Young as president, Shirley Lindstedt as vice president, Rose Peer as secretary, and Marilyn Sibbrell as treasurer. Joan Brooks was elected Student Council representative.

The sponsors who did such a fine job leading us through the year were Mrs. Janet Davis, Miss Lillian Sayers, Mr. Laverne Johnson, and Mr. Dale Sipe.

On October 13 we held the Freshman-Sophomore reception and showed the school that we sophomores could put on a real party at which guests and hosts alike would have a good time.

We are now looking forward to being upperclassmen, but we shall always remember our sophomore year with pleasure.

Chief of the service organizations of Chesterton High School is the Student Council, which for over thirty years has gone quietly about its business of fostering student participation in school government. Many and varied problems are presented to the Council in the course of a year, to all of which it tries to find solutions, with varying degrees of success. Working in close cooperation with the principal's office, the Council helps with such projects as providing noon recreation, keeping the student handbook up to date (a new edition was brought out this year) putting up outdoor decorations for the Christmas season, inspecting lockers and corridors, providing a check room for wraps at ball games, and many others.

Each class has two members on the Council, its president and an especially elected representative; one of these must be a boy and one a girl. The Junior High School is also represented on the Council by members permitted to engage in discussion and debate, but not to vote. On the first Tuesday after the first Monday in November of each year, the Council supervises an election following as nearly as possible the procedure actually used in a real election, even to using the official voting booths. Candidates for president and vice president of the student body are nominated by the senior and junior classes respectively and a vigorous campaign is waged the week preceding the election. Winners this year were Barbara Carlson, first girl to hold office as president, and Art Price, elected vice president. At a convocation soon after the election, these officers and the new Council are publicly installed and take over their new duties.

Hall monitors and office monitors serve under the supervision of the Council. Office monitors, who must be advanced students in the commerce department, serve as assistants to the school secretary and as messengers for the office. They also act as captains over the hall monitors, four of whom are on duty each period. Monitors and council members alike receive no awards for their service, except the satisfaction of serving their school.

Chesterton High School was granted its charter by the National Honor Society in the spring of 1946, and in the fall of that year the chapter was installed in a formal ritual conducted by the Emerson chapter of Emerson High School, Gary.

Character, scholarship, leadership, and service, are the objectives fostered by this organization. Students who meet the requirements set by the chapter charter may become members during the second semester of their junior year. A second opportunity to qualify is offered during the senior year.

Each spring a convocation is devoted to the initiation of the newly qualified juniors and seniors, with senior members who have been in the society since the preceding year, conducting the ceremony.

The chapter is sponsored by Miss Sayers, assisted by Mrs. Koch.

Booster Officers

"Come on team, we're backing you tonight!" This scream came from the throats of the loyal Boosters, led by Shirley Eason, president; Des Stack, vice-president; Naomi Tavernier, secretary; Glenda Wallin, treasurer, and Mrs. Dold, Mrs. Davis, and Mr. Johnson as sponsors.

In the usual all-school election the new Freshie cheerleaders were chosen. Anita Bush and Merilyn Meyers came out on top.

Due to the weather conditions, the annual Booster Parade, which opens the basketball season, was cancelled and replaced by a huge pep-session, in which every class and club of the school presented a skit.

This year again the Boosters had a fine team to back, for they came back from an exciting County Tourney with top honors. The Boosters danced through town to celebrate the return of their victorious team. A dance was held in the team's honor.

The Boosters showed up beautifully as did the team, when together they met Valparaiso in the Sectional. It was due only to the combined hard work and superb cooperation between the Boosters and the team that we came out on top of the 17-7 season.

"To build a fellowship of women and girls devoted to the task of realizing in our common life those ideals of personal and social living to which we are committed by our faith as Christians—in this endeavor we seek to understand Jesus, to share His love for all people, and to grow in the knowledge and love of God." In these words each candidate for initiation into the Y-Teen club expresses the purpose for which the club exists, and to which she pledges her loyal support.

Any girl in grades nine to twelve who is willing to accept this purpose as her own and help to make it a force for better living and higher moral standards in our high school, is eligible for membership in the group. This year there are almost a hundred members under the leadership of the following officers and sponsors: Bette Carlene Nordstrom, president; Joan McAvoy, vice-president; Arlene Abel, secretary; Ruth Vedell, treasurer; Mrs. Decker and Miss Kamman, sponsors.

The Y-Teens is essentially a service organization and service projects are carried on all the year round, such as sending boxes of good used clothing to Indian orphans and chocolate to European children. Bake sales provided a means of helping defray necessary expenses. Social get-togethers included a hay-ride party with a picnic supper at the beach in Dunes Park in the fall, and the April Shower Dance at the Y in Gary. Delegates were sent to various conferences in the district.

The Hi-Y Club is an organization of boys who are interested in carrying out the purpose of the group—"to create, maintain, and extend throughout the school and the community high standards of Christian character." Membership is open to all boys in grades nine to twelve who are willing to pledge themselves to help further this ideal.

Officers are elected each spring to serve the following year. For 1951-1952 these officers were:

Dick Jackson, president; Bill Cawley, vice president; Bill Strand, secretary; Dick Wiggins, treasurer; and Ronnie Jensen, chaplain. Mr. Sipe, Mr. Yates, and Mr. McCord sponsored the organization.

One of the highlights of the year was a panel discussion presented jointly with the Hi-Y of Valparaiso High School on the topic, "What is Hi-Y?" Bill Cawley, Dick Jackson, Eugene Levendoski, and Bill Strand represented Chesterton. Their discussion was presented at the opening of the new Porter County Y.M.C.A. with the double purpose of acquainting people of the county with the Hi-Y and its work, and influencing other county schools to organize Hi-Y Clubs.

The outstanding social event of the year was the formal dinner-dance held at the Spaulding Hotel in Michigan City March 8, with Robert Tank's orchestra providing the music.

The aims of the Biology Club are to increase our knowledge of biology, to enable us to understand the importance of biology in our lives, and to perfect our skills in biology. To realize these aims the club carries out a program of varied activities. This year we went on numerous field trips, sponsored the Science Fair, helped in all school projects and made a week-end trip to one of Indiana's State Parks.

Officers are elected at the beginning of the school year to serve for a two-semester term. This year the officers were as follows: John Canright, president; Willie Rand, vice-president; Millie Rak, secretary; and Anne Harrison, treasurer. Mr. McCord was our faculty sponsor.

Membership in the club is open to any high school student who is interested in natural science.

To give the students who participate, some experience and training in newspaper work, and to keep the entire student body and faculty informed of current news and happenings in the many activities of high school life—this is the purpose to which Scoop has been devoted during the more than ten years of its existence. Each year an effort is made to find new and better ways of fulfilling this purpose and serving the school. Each new staff, under Mrs. Dold's energetic supervision, makes "Progress!" its watchword.

Since all work and no play makes any Jack—or Jill—a dull person, it has become traditional for the Scoop staff to relax once a semester; in November with a surprise party celebrating Mrs. Dold's birthday, and at the close of school with a jolly outing at Dunes State Park. Both these events were most successful this year and will be long remembered by all staff members who were able to participate. This year a third social event was added, a surprise birthday party for Mary Wood, editor. And was she surprised!

Upperclassmen who are interested in dramatics and in participation in school entertainment are eligible for membership. Special programs are prepared for high school convocations by the members of the club. This year they were responsible for the Thanksgiving convocation, at which time they presented a clever two-act play, called "Willie Carves the Turkey."

Last year the Club affiliated with the National Thespians. The members who meet the requirements of the national organization are taken in at a formal initiation ceremony some time during the second semester. This year fourteen of the thirty members enrolled qualified as National Thespians and were duly initiated.

The purpose of this club shall be to advance and direct athletics for girls in the high school, thereby improving the health of each girl, developing her ability to cooperate with others, increasing her skill and knowledge in each sport, and offering her suitable recreation.

Membership is open to all girls in high school if they are interested in athletics. In order to maintain membership each member is required to pay dues of \$1.00 per year, earn at least 50 points per year, and be present at a required number of meetings per semester.

# G. A. A.

The present officers are: President, Gerry Carpenter; Vice-president, Marcee Young; Secretary, Doris Colley; Treasurer, Ruth Ann Coslet; Point Recorder, Judy Thurston; Assistant Point Recorder, Dawn Thurston; Sponsor, Mrs. Davis.

Eight girls—Dorothy Boersma, Gerry Carpenter, Doris Colley, Ruth Ann Coslet, Shirley Eason, Rosalie Kolic, Naomi Tavernier, and Glenda Wallin—received sweaters, which are awarded by the point system.

On April 26, six girls attended the Valpo University playday. On May 3, our girls presented a playday for the eighth grade girls from the public school and from St. Patrick's.

A weiner roast in the first few days of school served to bring prospective members into the club. Appetites were hearty after a brisk game of soccer and softball. With the season thus well under way, there followed a full schedule of soccer, volleyball, basketball, and tumbling, every Thursday night. Tuesday night found most of us at the bowling alley, hoping for scores that were at least over 100. Came spring, and softball was the main interest of most of the members.

During the year a constitutional committee worked hard to revise the constitution to make it apply to present conditions. Funds were raised through a candy and bake sale, a radio raffle, and a number of dances. Best of all was the Frosty Frolic, that frosty night in December when everyone had such a good time.

The members elected as their officers: John Dille, president; Bruce Betterton, vice-president; Mark Goldstine, secretary-treasurer; George Jensen, student director; and John Canright, equipment manager. The band has about forty pieces in it and really looks sharp when it performs.

The band has been unusually active this year, participating in the following events: the Fire Prevention Parade; the Halloween Parade, the Porter County Marching Contest, in which they

Music on the March

received a third; the winter and spring concert with the chorus. They have also played for convocations; participated in the solo and ensemble contest; given concerts at Boone Grove and Wheeler; contributed members to the Porter county music festival; presented a combined concert with Portage, and marched for Decoration day.

Something new has been added this year. Two schools from neighboring counties presented concerts, which will be returned by our band next year. The Edison high school orchestra presented a concert near Easter. Later in the spring, the Wirt high school band played for a special convocation.

Practice Makes Perfect

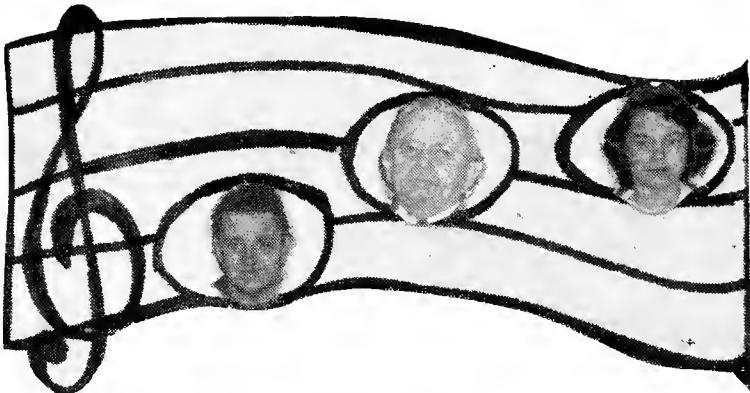

The highlight of the year was the trip to Holland, Michigan, to participate in the annual Tulip festival. Money for their trip was provided for by the Music Parents and the proceeds of a special benefit basketball game.

The junior high school band, which is a "feeder" for the senior band, has thirty members. On May 2, it gave a recital at the Porter and Chesterton grade schools.

The officers during the past year have been: President, Carol Ahrendt; Secretary, Claudia Malden. The sponsor is Mrs. Decker, the school librarian.

# Senior Play

"Home, Sweet Homicide" is the mystery comedy of three acts, portraying the efforts of three children, Archie, Dinah and April Carstairs, to help their mystery-writer mother, Marian Carstairs,

solve a murder occurring next door and to link her and the police lieutenant, Bill Smith. The children delight in giving Lieutenant Smith and Sergeant O'Hare a rough time of it by hiding Wallie Sanford, the No. 1 suspect, and by giving the police false steers. Mrs. Cherington and her husband are a couple who has mysterious intentions. And, of course, there is Polly Walker, the actress, her boy-friend, Rupert; Pete, who keeps wanting to take Dinah on a picnic; and the flirt, Joella. The mob and the gang help the Carstairs solve the murder by being at the right place at the right time, and the play ends on a happy note by Dinah proposing for Bill to her mother.

The Trojans aroused the fans' interest in cross country in a big way as they sprinted to a victory in the sectionals and then took a seventh in the finals at Indianapolis.

In the regular season, the thinlyclads won 11 meets while losing only one. Following this was the win in the sectionals and the trip downstate.

Don Lowery set a new record for the distance with a time of 9:41. He also finished ninth in the state tourney.

This team's record will be a goal for the future teams to try to reach. Hats off to this team and the best of luck to those to come.

The Trojans, although playing good ball throughout the year, failed to defend their Porter county championship of 1950. Chesterton racked up wins over Liberty, Boone Grove, Washington, Jackson, and Wheeler. They lost only to Morgan and Hebron, who tied for the county championship, and Kouts.

Due to the fact that they had only one starting pitcher able to go the route, they were handicapped when more than one game was scheduled a week.

Next year there will have to be a lot of rebuilding due to the graduation of six players in key positions on the team. However, some of the younger players have shown a lot of promise and the future for the Trojans should be bright.

Everyone can be proud of the play of the Trojans and can look forward to another good season next year.

# Track

When the annual went to press the track season was still in its practice stage. A total of 42 hopefuls showed up for the first few practices. Most of these boys were newcomers to the track scene at CHS; however, there are a few of the old standbys to bolster the squad. All in all, it looks like another good track season for Chesterton.

# Basketball

The 1951-52 squad rolled up the best overall average of any team in the history of Chesterton High School. This year's edition ended the season with 17 wins and only 7 losses for a fine .708 percentage.

The big accomplishment of the year was the winning of the county tourney, the second for Chesterton in three years. In the tourney they had to meet three of the county's top teams in Portage, Hebron and Kouts.

This year's team piled up a total of 1272 points in their 24 games for an average of 53 points per game. They held their opponents to 1068 points for a defensive average of 44.5 points per game.

The Trojans' 1272 points came on 252 field goals and 264 free throws. The Trojans attempted 469 free throws and the 264 they made gave them an average of .563.

I, BILL (GINDY) GIBBONS, in my sober and contented state of mind, do hereby will my masculine beard to Tommy Wilson, so when he shaves from now on he can use a blade in the razor; to little Joe, my can of fender paint; and the Senior tradition to any junior who thinks he can carry on next year.

I, CHARLES HAUBER, in my sober state of mind, will to that up and coming sophomore, Elmo Young, my ability not to get mad when anyone says "hello" to a certain eighth grader, whose initials are Beverly Bross.

I, JERRY MARTIN, in my natural state of mind ('cause I'm a natural), following a careful and exhausting survey, do hereby push off on the following, the following: to those junior will-be's, Black Art, Black John, and Hairy Wilson, the bar boy, one box of Kleenex so they can dry off, cause I won't be around with my clean towel service next year; to Mr. Ben Johnston, one dozen throat atomizers so he won't have any trouble with colds; and to Glenda Wallin, the secret of getting a date with Larry without having to come to the senior boys to get lined up. I, ALICE OLSON, being in a state of mind, do hereby will and bequeath to LaRue Stephens, the ability to speak politely to persons in her ill favor; and not to forget one little girl in the fourth period art class, one millionaire so she won't have to associate with US mere mortals.

I, MARLENE OLSON, in my most humorous state of mind, do hereby will and bequeath to Terry Stokes a pair of shoes that fit right so he won't have to fall over Miss Sayers' chair; to Joyce Povlock a date with my brother; to my spoiled brother, Delmer, my ability to come in late and not sleep all the next day; and to those wonderful junior boys, "all my love."

I, ARLENE PEREZ, in my quiet state of mind, do hereby will and bequeath all my cheerleading ability to the four following faculty cheerleaders: Koch, Kamman, Turner, and Edman. They tried SO hard. To that cutie of a freshman boy, Bob Coslet, a clear detention report; and also my ability to make it through high school in four years to my little brother, Tony.

I, JEANETTE PETERSON, in my happy state of mind, do hereby will and bequeath to the remaining students of CHS all my school spirit since I won't be needing it any more and they certainly do; to my buddy, Andy Borg, I will a certain little freshie boy—but she'd simply kill me if I told his name was Bobby Coslet; and last but not least to Coach Evar Edquist will a varsity of women-hating boys.

I, ROGER PETERSON, in my Happy New Year state of mind, do hereby will and bequeath the following: to Bob Anderson I will my ability to a good chauffeur and keep my mind on my own business; to Tom Wilson I will one little red wagon, so Neets and he won't have to walk home; and to some certain junior girls, I will one valentine.

I, JERRY PLISKE, in my usual juvenile state of mind, do hereby will and bequeath a pair of binoculars to Mrs. Decker so that she may see me better without straining her eyes; and to that up and coming freshman, Jeanette Crill, the ability to, when spoken to, at least come out of the clouds and smile; how about it Queenie?

I, BARBARA WAMPLER, in a Rus-ty state of mind, do hereby will to the "Make Up Twins," Pat "Mascara" Adams and Janice "Rosy Cheek" Nelson, a cake of soap; to Jerry Davis a big thanks for—oh, well, Jerry knows; to La Rue "Pokey" Stephens, a boy friend just half as nice as her brother; and last but not least, to Mrs. Koch and Mr. Johnson gold medals and a big thanks for all their wonderful help.

I, MELANE WHITE, in my usual empty state of mind, do hereby will and bequeath the following: to my baby sister, Fanny, my short curly locks—the ability to look under them instead of through them; to Betty Stainko, the ability to relax and enjoy life (slow down, Betty, and take it easy!); to Maggie Lynne that non-communistic Rhed, my free evenings of the week as hers are pretty well filled up, and a can of G-in-one oil to keep her car in good condition.

I, HELEN WILLETT, in my no state of mind, will to Janice Nelson and Pat Adams one jar of paint remover so we can get a glimpse of their faces; to Bob Anderson I leave some conceit, because Bobby doesn't seem to have enough of his own; last I leave to Miss Morgan my perfect attendance, because she seems to appreciate it so much.

## Sponsors

Year after year the business and professional men of Chesterton, Porter, and the vicinity have contributed both generously and willingly to the Singing Sands. In 1952 a new high was reached in contributions without which our annual could not have been possible. The senior class of Chesterton High School extends its sincerest thanks to all those who helped sponsor the Singing Sands of 1952.
